- Spiritual formation-how you connect best with God
- Timeless leadership principles from the Bible and the book, Next Gen Leaders, by Andy Stanley

2nd course

September-May, 2nd Tuesday of each month
This second part of Cultivate is designed for those who want more hands-on experience. Interns will be deployed into a ministry area, either at Risen King or out in the community, that fits who God has gifted them to be. Interns will each be assigned a Ministry Team Leader to continue their development. The Cultivate community will gather once a month to touch base and discuss hot topics associated with ministry. Expect to give 2-5 hours per week to fulfill ministry commitments.

Ministry Role

Each Cultivate participant will choose an area of ministry in which they would like to serve at Risen King or in the community. In the context of purposeful ministry, the individual will gain experience, skills, training and development. The average ministry role will be 2-5 hours per week.

Ministry Mentor

Each Cultivate participant will be paired up with a person who has experience in the area of ministry chosen. The Ministry Mentor will usually be a team leader, staff member or elder. The Cultivate participant will meet with their Ministry Mentor once a month. The role of the Ministry Mentor is to give guidance, training, and feedback in the defined area of ministry.

Cultivate Community

The Cultivate participants will gather once per month to eat, share and grow together. This will be a time to share victories and challenges and pray with each other. We will also be tackling a topic each month to investigate, pray through and share our discoveries.
